B&M INSURANCE AGENCY, INC.

Protecting What's Important to You

Dear Member of AFT Massachusetts,

AFT Massachusetts values your membership. We believe that the offerings listed in this booklet will enhance the value of your money.

Your national union, the American Federation of Teachers, has provided you an opportunity to obtain universal life insurance. This product features a long term care living benefits rider, with no medical questions or tests. The **AFT+** program also includes a new income protection plan in the event of disability and a low cost group term life insurance product.

The car and homeowner insurances are well below the current market rates. Mass buying power provides substantial savings when buying a new car.

We also have discounts and even free admission to various popular attractions. For example, your Membership in AFT Massachusetts gives free admission to the Museum of Science and the Salem Witch Museum. In addition, discounted admission prices are available to other attractions, such as the JFK Library and Museum.

This booklet lists many wonderful benefits and discounts that will save you plenty of money. Please review and enjoy!

Sincerely,

A handwritten signature in black ink that reads "Tom Gosnell". The signature is written in a cursive, flowing style.

Tom Gosnell

Western Massachusetts.....	14
Out-of-State	14–15

Universal Life Insurance

Universal Life gives you the security of “traditional” life insurance with the added advantage of flexibility. This plan includes the following features:

- Economical life insurance benefits which are income tax free.
- Account values which earn interest at a minimum of 4%, on a tax deferred basis.
- An accelerated benefit for Long Term Care which allows the withdrawal of 4% of the life insurance amount per month if the insured is confined to a long term care facility. This benefit can be payable for up to 50 months, which means that a member can receive up to twice the life insurance amount in long term care benefits (example: a member with \$100,000 of life insurance can qualify for up to \$200,000 of long term care benefits).
- Terminal Illness benefit allows the member to withdraw up to 50% of the death benefit, not to exceed \$100,000 upon diagnosis of a terminal illness (12 months or less life expectancy).
- Disability Waiver Cost of Insurance waives the insurance cost if the insured is disabled. There is a 90 day waiting period for this benefit.

The AFT+ Universal Life Insurance policy is offered to AFT members who are actively at work—no medical questions asked. No medical examinations or blood tests are ever required! Coverage is also available for your spouse, domestic partner and children. Unlike term life, coverage continues to age 95 without periodic evidence of insurability. And your premiums will not change. They remain level and fixed for the life of the policy.

*If you have questions about this **AFT+** benefits program please call 800-688-8750 to speak to a benefits counselor.*

METLIFE Disability Income Protection

Your income gives you the security and freedom to plan for the future. It helps pay for your home and car, puts food on your table, and covers college tuition, allowing you to make your hopes and dreams a reality. What would happen if you suddenly became sick or injured and couldn't work? How would you maintain your lifestyle if your ability to work and earn an income were lost for an extended period of time? Disability Income Protection is designed to provide you with valuable income replacement in the event of sickness or accidental injury.

Becoming disabled takes enough of a toll on you and your family. The AFT and MetLife understand the importance of this coverage and hope to ease the burden by offering you the following features and services:

- Valuable income protection
- Experienced Case Managers who provide support throughout the claim process and provide prompt claim handling and payment of benefits
- Return to Work incentives and services when medically appropriate
- Assistance with applying for Social Security disability benefits
- Waiver of premium while disabled and receiving a benefit
- Short waiting periods before disability benefits begin

*If you have questions about this **AFT+** benefits program please call 800-688-8750 to speak to a benefits counselor.*

METLIFE Optional Term Life Insurance

The AFT is looking for ways to improve your benefits plan and wants you to have the opportunity to receive the life insurance coverage that meets your individual needs at a price you can afford.

Supplemental Term Life insurance is a critical part of planning for the future. It is an affordable means in which to provide your family with readjustment income in the event of the unexpected. This coverage is designed to provide your family with a financial foundation that you can build upon.

The AFT recognizes how important it is to provide you with an opportunity to enroll for additional life insurance coverage to help meet your family's needs. Life insurance is a critical part of planning for the future and your needs may change over time.

After carefully considering your lifestyle, you can decide just how much life insurance coverage is right for you. You can choose coverage in the amount of: 1 to 6 times your base annual earnings. The maximum amount of Optional Life coverage you can receive is \$1,000,000.

Are you new to Teaching?

Are you a new member of AFT?

If so, contact your Local union office to find out if you qualify for one year of \$12,000 Term Life coverage at no cost to you.

*If you have questions about this **AFT+** benefits program please call 800-688-8750 to speak to a benefits counselor.*
